Engineering Contractors Pvt Ltd  
ISO 9001 : 2015 CERTIFIED  
OHSAS 18001 : 2007 CERTIFIED

## ABOUT US

Fameco incorporated in Dec 2010 started its operation from the contact points of the seniormost officials whom have many years of acquaintance in the field. The seniors are in the field since 25 to 30 years and have high potential contacts with the leading industrialists. This has helped Fameco to start with humble and spread its wings through the past years.

The maiden contract was awarded by M/s. India Cement Limited for their Trinetra Cements Limited at Banswara, Rajasthan for fabrication and erection jobs. This was completed successfully with the appreciation form the client. The journey continued with several projects throughout India for Cement, Sponge Iron, Power, Chemical, Aluminium and Petroleum plants etc.

UltraTech Cement Limited at Reddypalayam appointed us for the up gradation jobs of Pre heater. The job was completed with special appreciation form the management. This is the first turning point in the history of Fameco. Now Fameco is the major maintenance contractor of the company and attends all breakdown and shutdown jobs. The company is also engaged in the scaffolding and insulation jobs now.

Fameco is spirited and devoted construction group based at Calicut, Kerala. During the short span of incorporation we are proud for our presence in the industry with colorful performance towards the customers satisfying their needs to the international quality. Fameco's customer-focused approach and the continuous quest for world-class quality have enabled it to attain and sustain leadership in business.

Fameco's team has shown exemplary craftsmanship in delivering the projected tragets with safety. Time consumption and loss prevention in safer execution for the cause of nation growth made us the client friendly and socially committed.

Fameco undertake mechanical construction of Fabrication, Erection and commissioning of various industrial projects. Our team has excellence in the field. We procure suitable tools & tackles with different capacity cranes and transportation vehicles. Apart for Fabrication, Erection and commissioning of various machinery, we undertake the cold and hot insulation jobs. The major part of execution is the safer applications. We procure most sophisticaed parts and segments of scaffolding materials and engage our specialized team for the jobs. Zero incident and accident free atmosphere is maintained in all mechanical jobs. Our team is well trained in safety under the DUPONT applications.

## **CORPORATE VIEW**

- Train all staff and contractors to act in accordance with the requirements of this policy.
- To render Service of International standards and contract specification.

## **HEALTH SAFETY & ENVIRONMENT POLICY**

In the emerging scenario of industrial growth in the domestic and international arena FAMECO keeps an intention to develop into a strong and solid partner. Being established as a versatile partner in the national market FAMECO wishes to spread its wings internationally too. equipped with well experienced work force and essential ammuration FAMECO meets challenges in the industry. Qulality and safety make FAMECO the best business and a most satisfied partner amont corporate. The motto of FAMECO is delivering best performance minimising time conception and economic feasibility.

The advantage of FAMECO is the team sprit among entire organisation and united efforts for best results. FAMECO promises the growth in the industry by its best involvement.

Health and safety has always been the number one priority for FAMECO and embedded as one of its core value. It was never an easy task to ensure safety for all the employees and contractors' employees of the company. However, with determination, hard work and the engagement from everyone, from top management to the grass root level, the company has made it possible. The company's success in ensuring a safe work environment in the Plant, and Mine as well as in office areas is a demonstration of good safety behavior. All the basics of safety policy are mandatory for each and every person working or being associated with the company. Personal Protective Equipments (PPE), holding hand rails, good and tidy housekeeping, not going for the shortcuts etc. have been declared as compulsory for every person working with the company. Serious accidents happening in sponsor groups facilities are simulated in the company so that employees and contractor personnel take lessons from them and apply the learning in their work areas

The ultimate goal of the Fameco is to be the champion in the field of safety. Action plans have been defined for all the sites of the company to continue the improvement in the field of safety. These plans are constructed in line with world class standards, advisories and priorities and in such a way so that a unique visible change can be achieved. We are committed to give our best to create the best possible healthy and safe work environment for the employees and contractors.

## SAFETY QUALITY DRIVE

FAMECO has marked occupational safety as its core value and the responsibility towards Safety, Health & Environment (SHE) is driven by the desire to protect the people we work with and society at large. FAMECO has always promoted safety as one of the most integral device of its value system. It has taken serious initiatives towards ensuring utmost safety of its employees and the environment they work in.

FAMECO aspires to achieve excellence in safety practices and performance. Therefore it has put a system in place to:

- People's involvement
- Ensure ownership on safety from line function
- Integrate safety into the existing management system
- Assign accountability on safety to the line function
- Build competency among employees
- Form an integrated approach to build in safety within the contract management process
- Establish life saving rules and progressive consequence management

## Safety, Occupational Health & Environment (SHE) Policy

Our Safety, Occupational Health & Environment (SHE) Policy is motivated by our desire to protect people we associate with, society at large and environment. It is our way we do our business and hence our organizational value.

We keep our responsibility to protect people and environment from any injuries and loss of properties.

We will build up the “will”, knowledge and skill among employees/contractors/partners to demonstrate their involvement, responsibility and accountability to achieve sound safety, Occupational health and environment practices & performance.

## SAFETY COMMITMENT

Our staff and workers and their families are of principal importance for us. As a company we are dedicated to achieve safety superiority in our business. We have set in safety an essential part of business and we anticipate that each one of us, irrespective of functional area, shall bear by organizational safety policy and principals.

- We also understand that good safety is achieved only through continued commitment, practice and demand.
- We want that each leader demonstrates:-
  - Value and respect for safety system
  - High level compliance to safety standards, rules and procedures.
  - Safety as non negotiable aspect.
- Each and every individual working with the organization shall contribute through responsible behavior “on” and “off” the site,
- We aim for zero fatality, zero injury and zero excuses.

## Safety Principles

- Every job shall be assessed for the risk involved and shall be carried out as per authorized procedures / checklist / work permit and using necessary personal protective equipments.
- All Employees, Contractor's Employees and others entering plant for work shall be trained to work safely
- All unsafe incidents and injuries must be reported, investigated and action completed
- Each line function is responsible for preventing injuries while safety function is responsible for facilitating safety system improvement.

- All leaders shall demonstrate care for people by conducting safety Observations and propagate safety awareness at every opportunities.
- Safety consideration shall influence all our business decisions.
- Regular Audit must be conducted and deviations shall be corrected promptly. Working safely shall be condition of employment
- All injuries and illness can be prevented.

**Sub : Implementation of the E.S.I. act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(3)/1(5) of the ESI Act, as amended.**

Dear Sir(s),

1. It is informed that under section 1(3) of the ESI Act, 1948 is applicable to all factories covered under the Act within the area where your factory is situated.
2. It is further informed that the appropriate Government has extended the provisions of the Act to other establishments Under Section 1(5) of the Act in this area
3. Under Section 2 A of the Act such a factory/establishment is required to register itself under the Act and Chapter IV thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the Act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you/ on the basis of the report of the inspection conducted by the Social Security Officer, who inspected your establishment on -NA-, your establishment falls within the purview of Section 1(5) of the Act with effect from 02/02/2015. In case, however, subsequent facts reveal that your establishment was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act.
6. You are also requested to submit employer's registration form (form 01) on line, as required under the provisions of sec.2-A of the ESI Act , 1948 read with regulation 10-B of the ESI(General), Regulations, 1950(only in case your Code No. is allotted as a result of Survey by a Social Security Officer of ESI Corporation).
7. For the sake of convenience your factory/establishment has been allotted code No **63000955660000699** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **Divyanathan Building, Main Road, Dalmiapuram - 621651** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.

**ESIC Selem Registration**

## OUR INFRASTRUCTURE & MANPOWER STRENGTH FOR PROJECT SITES:

### Manpower:

DESIGNATION/ STATUS	NOS	DESIGNATION/ STATUS	NOS
Sit in-charge	7	Rigger forman	9
Mechanical Engineer	12	Riggers	165
Project Coordinators	4	Khalasi	232
Project Managers	5	Material Controller	3
HR Executives	3	Store keepers	13
Millwright Foreman	6	Hydra/ Crane operator	4
Millwright Fitters	8	Scaffold fitters	92
Structural Fitters	32	Grider	13
Structural Welders	28	Driller	10
Welders TIG & ARC	8	Painter	11
Electrician	11	Pipe Fitters	9
Safety Engineer	9	Qwality Engineers	3

### Welding Machineries:

DESCRIPTION	NOS	DESCRIPTION	NOS
Welding Machines 450/400	86	Mother Oven	8
Welding Sets TIG	3	Portable Ovens	26
Welding Cables copper/aluminium	3100 mtrs	Heating Torch	14
Mig Mechine	6		

Rolling/ Plate Bending Machine	3	Pug mechine	9
Grinding Machine AG4/AG5/AG7	26	PUG Cutting Machine	5
Gas Cutting Sets	32	Hand/Pedestel Drilling machines	13
Magnetic Drilling Machines	6	F F 2 Grinting machine	3
Buffing Mechines	8	Hammers	Lot

### Fabrication Machineries:

Hydraulic Jacks 300MT/200MT/100MT/50MT	9	Motor winch 20 MT/!0MT/5MT	6
Trailer/40 MT	3	Chain Pulley blocks 10MT/5 MT/3MT/2MT/1MT	84
Tractor Trolley	3	Sling & D Shackles	Lot
Hydra 14/12 MT	4	Wire Ropes 32mm/28/25/20/16/12/8/6	3600mtrs
Trveling Jack	8	P P Rope	1100 mtrs
Rope pulley 1.5/1 inch	32	P P Pulley 3 /2/1 (Sleave)	21

### Scaffolding Materials:

Scaffolding Platform Frames	Lot	MS Fixed clamps for props	Lot
MS Flexible clamps for props	Lot	Scaffolding MS Pipes	Lot
Beam clamps	Lot	Aluminium Ladders	Lot

### Safety Accessories:

Safety Belts	160	Safety Helmets	Lot
Fall Arrestor/ Rope	34	Safety Goggles	Lot
Welder Shield/ With safety helmet	Lot	Respiratory Protection Equip	Lot
First Aid Equip/ First Aid Box	Lot	Grinding shield	Lot
Welders Protection Items	Lot	Life line Rops 8mm	1300

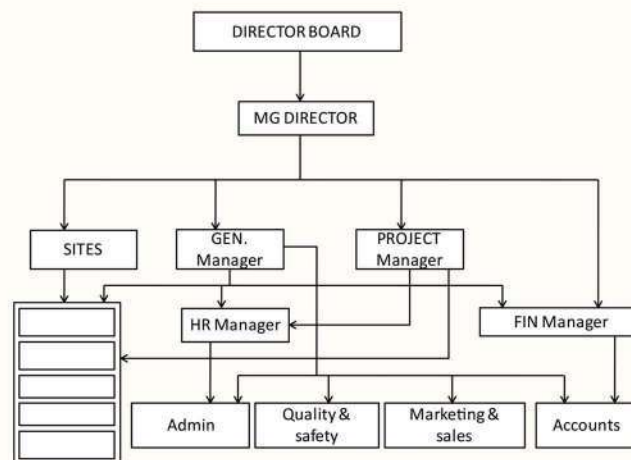

### Miscellaneous Equip and Accessories:

20 ft container for site office	4	20 ft container for site store	6
Box Spanner sets	Lot	Ring/Double end spanner sets	Lot
Bench Vice	6	Pipe cutting machines	9
Torc wrinch 3200/1900/1000/120	7	James screw	5
